👤 Reg. No: 139020 (Karnataka Medical Council)

## EDUCATION

### Doctor of Medicine (MD) in Pediatrics

AI Ameen Medical College and Hospital, Vijayapura, Karnataka (2025)

### Bachelor of Medicine, Bachelor of Surgery (MBBS)

Mahadevappa Rampure Medical College (MRMC), Kalaburagi, Karnataka (2019)

## PROFESSIONAL PROFILE

Compassionate and driven pediatrician with experience across OPD, IPD, and NICU, with a strong interest in neonatology. Skilled in delivery room care, neonatal resuscitation, and managing high-risk and critically ill newborns, with strong ability in airway support and early stabilization. Focused on blending clear, family-friendly guidance with evidence-based care, seeking a role in a tertiary hospital to support and strengthen neonatal services.

## KEY CLINICAL & SOFT SKILLS

### Neonatal resuscitation and delivery room care

- Safe airway support for newborns and children, including bag-mask breathing and trained advanced steps
- Care for high-risk and preterm babies in the NICU
- Daily care for children in clinics and wards, including acute and long-term conditions and immunization guidance
- Placing peripheral lines, NG tubes, lumbar punctures, and other common procedures
- Calm, clear communication with families and strong teamwork during busy clinical moments

# PROFESSIONAL EXPERIENCE

---

Junior Resident / Postgraduate Trainee - Department of Paediatrics

Institution: Al-Ameen Medical College and Hospital

Duration: 2021 to 2024

- Managed a broad spectrum of paediatric cases in OPD and IPD, including acute infections, growth and development issues, and chronic paediatric conditions.
- Performed routine paediatric procedures, vaccination counselling, and parental education on common childhood illnesses and preventive care.
- Rotated through NICU with independent responsibility for monitoring and managing stable and sick neonates under consultant supervision.
- Actively involved in delivery room care, neonatal resuscitation, and stabilization of high-risk and preterm newborns, with emphasis on airway management and hemodynamic support.
- NICU / Labour Room Duties (as part of MD training)
- Assisted and led neonatal resuscitations in the delivery room as an Advanced NRP Provider, including positive pressure ventilation, airway positioning, and advanced resuscitation steps as per guidelines.
- Managed high-risk neonates with respiratory distress, sepsis, prematurity, HIE, and metabolic disturbances, including ventilatory support and fluid-electrolyte management as per unit protocol.

## RESEARCH & PUBLICATIONS

---

**Publication:** Fatima SA, Thobbi AN. "Study on etiology, risk factors, severity and outcome of newborns presenting with respiratory distress in neonatal intensive care unit." International Journal of Contemporary Pediatrics. 2024 Nov;11(11):1552-1556.

**Case report:** Fatima SA, Malagi N. "Preterm Schizencephaly Neonate with Germinal Matrix Hemorrhage."

**Paper Presentation:** "The Impact of Maternal Anthropometry on Newborn Weight." (Research/paper presentation at MRMC, 42nd Annual KARPEDICON, 2023)

**Dissertation:** "Prevalence of Hyponatremia in Children with Febrile Seizures in the Age Group of 6 Months to 5 Years Admitted in Tertiary Care Centre of Vijayapura."

NNF Quiz in Neonatology (2024): Participant in Divisional/Zonal round for Post Graduates.

KAR-NEUROPEDICON 2022: Delegate participation (2 CME Credit Hours).

## PERSONAL STATEMENT

---

*I am a dedicated pediatrician who possesses a natural ability to connect with children and their families, fostering a compassionate and trusting environment. My career aspirations are focused on advancing my expertise in neonatology within a structured, academic tertiary care setting. I am deeply motivated to not only deliver exceptional clinical care but also to integrate my work with research initiatives, quality improvement projects, and educational endeavors. My goal is to contribute meaningfully to the advancement of neonatal and pediatric services, ensuring that both patients and their families receive the highest standard of care and support.*
